Reject Izhar Alam for Punjab Elections

Petition will be handed over to Jathedar of Sri Akal Takht Sahib and the Chief Minister of Punjab to highlight the concern and disgust of the Sikh Community around the globe at Mohammed Izhar Alam contesting in the Punjab elections. Also the petition is in support for an independent enquiry into the alleged crimes committed by Mohammed Izhar Alam against Sikhs.

In light of the 'expose' from wikileaks regarding the Alam Sena which played its part in the staged encounter killings of hundreds if not thousands of Sikh youth in Punjab after 1984, we request the Sri Akal Takht Sahib and Shiromani Akali Dal (Badal SAD) to further investigate Mohammed Izhar Alam's - (a potential Malerkotla candidate of SAD in the forthcoming Punjab assembly elections). Anyone accused of mass killings of Sikhs should not be given a ticket to contest elections in Punjab especially when that individual will be standing on behalf of a Sikh political party namely SAD.
